

# See You Again (feat. Charlie Puth)

Wiz Khalifa

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again  
When I see you again Damn, who knew?  
All the planes we flew  
Good things we've been through  
That I'd be standing right here talking to you  
'Bout another path  
I know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up  
Look at things different, see the bigger picture  
Those were the days, hard work forever pays  
Now I see you in a better place, uh  
How could we not talk about family when family's all that we got?  
Everything I went through, you were standing there by my side  
And now you gon' be with me for the last ride It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again  
When I see you again First, you both go out your way  
And the vibe is feeling strong  
And what's small turned to a friendship  
A friendship turned to a bond  
And that bond will never be broken  
The love will never get lost  
And when brotherhood come first  
Then the line will never be crossed  
Established it on our own  
When that line had to be drawn  
And that line is what we reached  
So remember me when I'm gone How could we not talk about family when family's all that we  
got?  
Everything I went through, you were standing there by my side  
And now you gon' be with me for the last ride So let the light guide your way, yeah  
Hold every memory as you go  
And every road you take  
Will always lead you home, home It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again

When I see you againWhen I see you again (see you again, yeah)
