Blame It On Your Love (feat. Lizzo)

Charli XCX

Hey, listen! (Hahaha)
I blame it on you, I blame it on you
Yee!I just wanna drink you up
Pour you in a silver cup
You know I like to party
But you know I love your body
So many things I shouldn't do
I hate myself for hurting you (Yeah)
Honestly, I'm reckless
I'm sorry if I'm selfishEvery time you get too close I run, I run away
And every time you say the words, I don't know what to say
Back, back to the beginning, really wish that I could change
I do, I do, I do
I blame it on your love
Every time I fuck it up
I blame it on your love, I do
I blame it on your love
I can't help it, I can't stop
I blame it on your love, I doBlame it on your love
(Whoa-oh, I blame it on your love)Sorry I'm a little scared
But no one ever really cared (Uh-huh)
I took you for granted (Yeah, I did)
Just a big misunderstanding
I just want to spend the night (One night)
Sleeping in your bed tonight (Yeah)
Or watch a little TV
I love it when you need me
Every time you get too close I run, I run away (I run away)
And every time you say the words I don't know what to say (Say)
