## The Call

## **Celtic Woman**

Sometimes in this life we hear Calling from somewhere Sometimes it is loud and clear Sometimes it's so softly thereSometimes it is in the sea Sometimes in the sky Sometimes it's in you and me Sometimes it's a cryOpen your heart I am calling you Right from the very start Your wounded heart was calling, tooOpen your arms You will find the answer When you answer to the Call Sometimes it is in desire Or in the love we fear When the call is calling us 'Till the fear will disappearWhen we have no dance to dance The call is in the song When we have no voice to sing Then the call is calling strongOpen your heart I am calling you Right from the very start Your wounded heart was calling, tooOpen your arms You will find the answer When you answer to the Call Open your heart I am calling you Right from the very start Your wounded heart was calling, tooOpen your arms You will find the answer When you answer to the CallOpen your heart, your heart And you will find the answer To the Call!
