## Getcha Groove On (Dirt Road Mix) [feat. Xzibit]

## **Limp Bizkit**

Yes, millenium shit
Limp Bizkit, hah, X to the Z, yeah, hah
Bringing it live to you and yours
Ladies and gentlement
Hahaha, my home boy

Yo, get at 'em dogYou don't wanna fuck with me today

Cause a little somethin' somethin'

Didn't go your way

So try not to feel like that today

Cause I'm a real mutherfucker from

Round the wayCome onWe don't give a fuck when we're rockin' the place

We're only giving a fuck

If you're invading this space

Gotta getcha groove on (Gotta getcha groove on)

Don't keep us waiting too long (keep us waiting too long)

Don't you treat me like a toy kid

Are you enjoying this?

Every single second I'm alive I'm a mess

Got these laser beam mic checks

Communicating through the genelect

High tech

Kick you on the run now

Don't wanna be that guy

Every single second I'm alive

I'm alive

I don't understand why

I've got control for the candy in ya soul

I'm bumpin' up the sweetness

This is what you need

Another little piece of me

Inside of you

Cause you that I always keep it true

And that's exactly what I do

It's what I do

Yeah, it's what I do

You don't wanna fuck with me today

Cause a little somethin' somethin'

Didn't go your way

So try not to feel like that today

Cause I'm a real mutherfucker from

Round the wayCome onWe don't give a fuck when we're rockin' the place

We're only giving a fuck

If you're invading this space

Gotta getcha groove on (Gotta getcha groove on)

Don't keep us waiting too long

(Don't keep us waiting too long)I've got breakneck delivery

No time for chivalry

Extraordinary ability

Shit longevity

Dig deep in your soul

And find yourself

Cause mind control

Can turn y'all into someone else

So fast you'll hear the party spin the fuck right off

Me and Fred about to go half of Microsoft (yeah)

Burning twenty percent

Your little half ass, direct hits

Aint even making a dent

Running the red

All hell Xzibited lick

As we attempt to bring home the championship

It's all in the rist

I still lead the league in assist

Give me the fifth

I'm drinking while I'm taking a pissYou don't wanna fuck with me today

Cause a little somethin' somethin'

Didn't go your way

So try not to feel like that today

Cause I'm a real mutherfucker from

Round the wayCome onWe don't give a fuck when we're rockin' the place

We're only giving a fuck

If you're invading this space

Gotta getcha groove on (Gotta getcha groove on)

Don't keep us waiting too long

(Don't keep us waiting too long)I've got untapped material

I serial kill shit

Give me the real shit

X finish him off quick

Making your jaw split

When I'm touching the mosh pit

Constant conflict

Knock you faggots unconscience

Nauseous, raising the stakes

Increasing the weight

Got homies I can lay down

And lift their plate

So quit trying to invade my space

Before I call for a face to face

And gotta rest my caseThis is how we do it

Just recognise

We can get you right to it

Look into these eyes

Look into these eyes

And you'll see the size of the fame

Then you might despise

The size of my game

Step the fuck back

Xzibit's on the track

You should buckled up

Before your head hit the dash

You gotta hate that

A demo from an eight track

Brought me to a place

Where platinum comes in eight stack, bitchYou don't wanna fuck with me today

Cause a little somethin' somethin'

Didn't go your way

So try not to feel like that today

Cause I'm a real mutherfucker from

Round the wayCome onWe don't give a fuck when we're rockin' the place

We're only giving a fuck

If you're invading this space

Gotta getcha groove on (Gotta getcha groove on)

Don't keep us waiting too long

(Don't keep us waiting too long)
