Big, Big Plans

Chris Lane

Just look at her sitting there
Sweatpants, t-shirt in a comfy chair
Her hair in a bun
One hand on a mug and the other one plain as air(?)
To a George Strait vinyl that yes-or-no line will get her close
But I don't think she can understand
Just how far I've been letting my heart fall
Or what's in my headShe don't know I got some big, big plans
Build a little house out on some hand-me-down land
Find a little island where we go to get tan
I bet we take our kids down there one day
And I know she wouldn't mind if I
Did a little something like find a flight
Overnight to paradise and leave tonight
And I'mma put a diamond on her hand
She don't know I got some big, big plans
She don't know, she don't know
She don't know I got some big, big plans
She don't know, she don't know
She don't know I already bought a ring
Hid it in the bottom left drawer right beside the sink
A shiny emerald diamond on a brand-new band
Asked her mama for permission and her daddy for her handI got some big, big plans
Build a little house out on some hand-me-down land
Find a little island where we go to get tan
I bet we take our kids down there one day
And I know she wouldn't mind if I
Did a little something like find a flight
Overnight to paradise and leave tonight
And I'mma put a diamond on her hand
She don't know I got some big, big plans
She don't know, she don't know
She don't know I got some big, big plans
She don't know, she don't know
Well here I go
Cuz right now we're back in her hometown
And I'm down on one knee
I guess she finally figured out
I'm gonna ask her to marry meI got some big, big plans
Build a little house out on some hand-me-down land
Find a little island where we go to get tan
I bet we take our kids down there one day

And I know she wouldn't mind if I
Did a little something like find a flight
Overnight to paradise and leave tonight
And I'mma put a diamond on her hand
She don't know I got some big, big plans
She don't know, she don't know
She don't know I got some big, big plans
She don't know, she don't know
