

Might as Well

Future

So I ain't have to scheme
Rawest diamonds on my team (fact)
Raw diamonds on lean (hey)
I took off just like a Rocket (I'm gone)
Olajuwon, Hakeem
Either way it goes
We buyin' out the stores (for real)
We ain't never runnin' out of lean, (never)
Might as well go on 'n pour it (pour)
Racks bustin' out of niggas' jeans (fuck)
Might as well go and blow it (fact)
Smoke the loud like nicotine (smoke)
Talk drugs and I record it (let's go)
Conversate and I absorb it (I got it)
Theodore, no informant (I got it)
Percocets got me goin' (goin')
OG, coughing up a lung (bet)
They got a street story to tell ya (bitch)
It's already been done (I got it)
Ammunition overflowin' (I got it)
Tears fillin' up a pond (woo)
AC blowin' like it's snowin' (let's get it)
I'm know I'm blessed to speak in tongues (Freebandz)
My words touch a nigga soul
They get you through it, overcome
I ride the boats in the ocean (woah)
I whipped the car, it was stolen
I got the stars on the ceiling, I got my charge acquitted
I was the one got evicted, yeah
Living with the pink slip
Now I'm ridin' with the pink slip
I done swam with the sharks
Nigga came from the deep end
You will never know what I was in
Times were getting rough, we still get in
I was selling crack when Snoop dropped "Juice and Gin" (yah yah)
Run a one room shack, with a million in the den (facts)
Rawest diamonds on my team (fact)
Raw diamonds on lean (hey)
I took off just like a Rocket (I'm gone)
Olajuwon, Hakeem
Either way it goes

We buyin' out the stores (for real)
 We ain't never runnin' out of lean, (never)
 Might as well go on 'n pour it (pour)
 Racks bustin' out of niggas' jeans (fuck)
 Might as well go and blow it (fact)
 Smoke the loud like nicotine (smoke)
 Talk drugs and I record it
 Conversate and I absorb it (I got it)
 Theodore, no informant
 Percocets got me goin'
 OG, coughing up a lung Workaholic
 A few supermodels calling
 Ain't gonna expose ya
 Can't say I ain't think about it (fact)
 (Can't say I ain't think about it)
 Pink diamonds, no blinking
 Niggas got no dripping
 Started off on a mission
 I got real niggas still Crippin'
 Child support gettin' heavy
 It's hard not to get offended
 Oh, you maxin' out your credit card?
 Like it wasn't hard for me
 I just bought a new Bugatti for you So I ain't have to scheme
 Rawest diamonds on my team (facts)
 Raw diamonds on lean (hey)
 I took off just like a Rocket (I'm gone)
 Olajuwon, Hakeem
 Either way it goes
 We buyin' out the stores (for real)
 We ain't never runnin' out of lean, (never)

 Conversate and I absorb it (I got it)
 Theodore, no informant
 Percocets got me goin'
 OG, coughing up a lung Lived in it all
 Gotta take a trip and go ball (I gotta take a trip)
 Packin' no luggage, when I get there, I'm buyin' the mall
 Get down, buy the mall
 Ain't packin' no luggage, when I get down, buy the mall So I ain't have to scheme
 Rawest diamonds on my team (fact)
 Raw diamonds on lean (hey)
 I took off just like a Rocket (I'm gone)
 Olajuwon, Hakeem
 Either way it goes

We buyin' out the stores (for real)
We ain't never runnin' out of lean, (never)
