

# No Rest For the Wicked (Robin Schulz Remix Edit)

[Lykke Li](#)

My one heart hurt another  
So only one life can't be enough  
Can you give me just another  
For that one who got awayLonely I, I'm so alone nowThere'll be no rest for the wicked  
There's no song for the choir  
There's no hope for the weary  
If you let them win without a fight  
If one heart can mend another  
Only then can we begin  
So won't you hold on a little longer  
Don't let them get awayLonely I, I'm so alone nowThere'll be no rest for the wicked  
There's no song for the choir  
There's no hope for the weary  
If you let them win without a fight  
I let my good one down  
I let my true love die  
I had his heart but I broke it everytimeLonely I, I'm so alone now  
There'll be no rest for the wicked  
There's no song for the choir  
There's no hope for the weary  
If you let them win without a fight  
I let my good one down  
I let my true love die  
I had his heart but I broke it everytime
