Plush

Stone Temple Pilots

And I feel that time's a-wasting, Go
So where ya going to tomorrow?
And I see that these are lies to come
So Would you even care?And I feel it
And I feel itWhere ya going for tomorrow?
Where ya goin' with the mask I found

And I feel, and I feel

When the dogs begin to smell herWill she smell alone? And I feel, so much depends on the weather

So is it raining in your bedroom? And I see, that these are the eyes of disarray

Would you even care?

And I feel it

And she feels it

Where ya going for tomorrow?

Where ya goin' with the mask I found? And I feel, and I feel

When the dogs begin to smell her

Will she smell alone? When the dogs do find her

Got time, time, to wait for tomorrow

To find itTo find it

To find it

When the dogs do find her

Got time, time, to wait for tomorrowTo find it

To find it

To find it

Where ya going for tomorrow?

Where ya goin' with the mask I found? And I feel, and I feelWhen the dogs begin to smell her

Will she smell alone?

When the dogs do find her

Got time, time, to wait for tomorrow

To find it

To find it

To find it

When the dogs do find her

Got time, time, to wait for tomorrow

To find it

To find it

To find it

To find it

To Find iiiiiiiiiit

To Find iiiiiiiiiiit
