Clocks

Rockabye Baby!

The lights go out and I can't be saved
Tides that I tried to swim against
Have brought me down upon my knees
Oh I beg, I beg and plead, singingCome out of things unsaid
Shoot an apple off my head and a
Trouble that can't be named
A tiger's waiting to be tamed, singingYou are

You are

Confusion never stops
Closing walls and ticking clocks
Gonna come back and take you home

I could not stop that you now know, singingCome out upon my seas

Cursed missed opportunities

Am I a part of the cure?

Or am I part of the disease? SingingYou are, you are, you are, you are, you are, you areAnd nothing else compares

Oh nothing else compares

And nothing else comparesYou are

You are

Home, home where I wanted to go
