Unbelievable

Why Don't We

Hey
How did we, how did we
How did we end up at your place?
With my hands, with my hands
With my hands around your waist
Like you're too coo-coo
Ah, you'll believe it is true, still
Your taste
I could drink, I could drink
I could drink a whole damn case
Every drip, every drip
Could've let you go to waste
When you're making those moves, ayy
I don't know what to do, yeah
If it's all a dream, don't wake up
'Cause I got your body right here
Next to me, just wait up
Gotta check myself 'cause I just
Can't believe, ayy-oh
That you're in my heart, you're in my head
Now you're waking up, you're in my bedUnbelievable, yeah
Unbelievable, yeah
Unbelievable, yeah
Unbelievable, you are
Unbelievable, yeah
Unbelievable, yeah
That you're in my heart, you're in my head
Now you're waking up, you're in my bed
Unbelievable, yeah
Unbelievable, yeah
Unbelievable, yeah
Unbelievable
Unbelievable, it's
Unbelievable, it's
That you're in my heart, you're in my head
Now you're waking up, you're in my bed
Never thought, never thought
Never thought I'd be holding your hand
Picking up, picking up
Picking up [?] dance
When you're making those moves, ayy (those moves)
I don't know what to do, yeah (to do)If it's all a dream, don't wake up

'Cause I got your body right here
Next to me, just wait up
Gotta check myself 'cause I just
Can't believe, ayy-oh
That you're in my heart, you're in my head
Now you're waking up, you're in my bedUnbelievable, yeah
Unbelievable, yeah
Unbelievable, yeah
Unbelievable, yeah (unbelievable)
Unbelievable, it's
Unbelievable, it's (unbelievable)

Unbelievable, yeah
Unbelievable, yeah (oh yeah)
Unbelievable, yeah
Unbelievable
Unbelievable, it's
Unbelievable, it's
That you're in my heart, you're in my head
Now you're waking up, you're in my bedGotta check myself 'cause I just
Can't believe (can't believe)
That you're in my heart, you're in my head
Now you're waking up, you're in my bedUnbelievable, yeah
Unbelievable, yeah
