Woo! I've got a gal who's always late

Ev'rytime we got a date

But I love her

Yes, I love her

Well now, I'm gonna walk

Right up to her gate

And see if I can get it straight

Ev'rytime I want her

I'm gonna ask her Well now, but is you is or is you ain't my baby? And the way you actin' lately

Makes me doubt

Well, are but you, still my baby, baby?

Well, now it seems my flame

In your heart is done gone out Now, a woman who is a creature

Who that has always been strange

Now when you're sure the one you'll find

Girl, has made a change of mind Now, is you is or is you ain't my baby?

Well, for maybe baby

You'll find somebody new

Or but is my baby

Still my baby, true?

Am I? Woo

Wa-oh!

Woo! Woo! Woo! FADES-Baby, will have a brand new start.~
