## Talk

## **Coldplay**

Oh brother I can't, I can't get through I've been trying hard to reach you 'Cause I don't know what to do Oh brother I can't believe it's true I'm so scared about the future and I want to talk to you Oh I want to talk to youYou can take a picture of something you see In the future where will I be? You can climb a ladder up to the sun Or write a song nobody has sung, or do Something that's never been done Are you lost or incomplete? Do you feel like a puzzle You can't find your missing piece Tell me how you feel Well I feel like they're talking in a language I don't speak And they're talking it to me So you take a picture of something you seeIn the future where will I be? You can climb a ladder up to the sun Or write a song nobody has sung, or do Something that's never been done, or do Something that's never been done So you don't know where you're going But you want to talk And you feel like you're going where you've been before You'll tell anyone who will listen but you feel ignored Nothing's really making any sense at all Let's talk Let's talk Let's talk Let's talk Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
