Walk the Line (feat. Wrekonize)

Big Scoob

I'm walkin' the line...
I'm walkin' the line...
Heavy head as I sit and write, my mental scattered everywhere
My thoughts are all jumbled up, a cluster fuck, in despair
My life is such a bitch to bare, the smoke seems to never clear
Takin' calls, helpin' y'all, but when I fall, nobody's there
They tell me life ain't ever fair, tell me that my heart is rare
Tell me how I'm livin' is forgiven if I practice prayer
Wishin' I was unaware, livin' life without a care
Rollin' through the hills on bad wheels, I ain't got a spare
Fightin' but I'm ill prepared, a titan tryin' to hold my square
Enlightened, kinda frightened with the sights as I become aware
Hold the elevator, second thought, I'ma take the stairs
Struggle as I'm getting there, embrace the journey I ain't scared
What they sellin' I can't hear it, I'm rebellin' that's my spirit
Kinda groggy, not the clearest, pourin' whiskey, somethin' serious
A penny for my thoughts, then all these thoughts is bought
Continuing this walk, just hoping I ain't lost
I got trouble on my mind
They keep tellin' me that it'll be just fine
I'm walkin' the line (I'm walkin' the line) I'm walkin' the line
I've got so much on my mind
They keep tellin' me that it'll be just fine
I'm walkin' the line (I'm walkin' the line) I'm walkin the line
This news on this TV, depressin' as a muh'fucka
Thinkin' its just TV but its real as a muh'fucka
Shit done really hit the fan
Everybody show they hands
Choose a side, where you stand?
Plant your feet and be a man
Liberty and justice for all like Mamma Yates say
