

Good Time (Firebeatz Remix)

Alex Kenji & Ron Carroll

It's time to celebrate
It's time to open up
Throw your cares away
And get them bottles upLift your hands high
No more crying ...
Music all around
Dancing to the soundDon't let problems get you down
Let ... move around
No matter who you are
You're a starSo get ready
Everybody in the place
If you're ready to have a good time
Put your hands in the air
Let's go
Let's go
Come onAre you ready for a good time?
Are you ready for a good time?
And if you're ready sing along with meAre you ready for a good time?
Are you ready?
Are you ready for a good time?
And if you're ready sing along with meIt's time to raise your hands
It's time to scream and shout
Party all night long
And let your problems out
Get into this groove
Make your body move
Dj play that song
I need to get it onDon't let problems get you down
Let ... move around
No matter who you are
You're a starSo get readyAre you ready for a good time?
Are you ready?
Are you ready for a good time?
And if you're ready sing along with meAre you ready for a good time?
Are you ready?
Are you ready for a good time?
And if you're ready sing along with meAre you ready?
