

# Steppin' Right Along

Bill Withers

Steppin' right along  
Like it ain't nothing, baby  
Something just, something blew your mind  
Something come along  
To make you stronger, baby  
But you know it got to take timeTalk a little deep  
To make you wonder, baby  
And it's not that same old lineWhoa, look out nowSomething some time  
Come along and blow your mind  
Watch out, girl  
Somebody hot (hot!)  
Make you give up everything you got  
Steppin' right along  
Like it ain't nothing, baby  
Something just, something just blew you mind  
Something come along  
That kick like thunder, baby  
You know got to give it up for them  
Right on time'Would it be wise or weak?'  
You wonder, baby  
Goodbye Reason, Hello Rhyme  
Look out, girlSomething some time  
Come along and blow your mind  
Watch out, girl  
Somebody hot (hot!)  
Make you give up everything you got  
Steppin' right along  
Like it ain't nothing, baby  
Something come along  
And just blew your mind  
'Some kind of magic spell?'  
You wonder, baby  
Make a drink of muddy water  
Taste like wineAnd 'Would it be wise or weak?'  
You wonder, baby  
Goodbye Reason, Hello Rhyme  
'Love made me do it!'Something some time  
Come along and blow your mind  
Watch out, girl  
Somebody hot (hot!)  
Make you give up everything you gotSaid I will follow...the Lord in Heaven  
I wanna be...thy holding(?) angel

'Til the Kingdom come  
Thy will be done  
Down here on earth  
Just like it is in Heaven  
Give us this day  
Our...daily bread  
Give us our sins  
We forgive our brothers  
Lead us far away, every day,  
From temptation  
Heavenly Father  
Deliver us from evil  
Thine is the kingdom  
And the Power  
And the Glory  
Forever!  
Heavenly Father  
Sweet Heavenly Father  
Heavenly Father  
Sweet sweet Heavenly Father  
Sweet ol' Heavenly Father (x2)
