

Promise Me

Luther Vandross

PROMISE ME

Luther Vandross

(album: Forever, For Always, For Love - 1982)I can only speak for

The things that I've been through

So when it comes to our love

I'll talk the whole night through

About the lovin' I've been missin'

Lately, baby I ain't had no kissin'

Don't you love me

Can we stay togetherBridge:

Like when we used to be in love

But now you've got your head on another cloud

Girl, we had a good thing

But now you've turned around

Don't you even care how this love

We've had turns out

Chorus:

(Promise me, you'll leave me never)

(That we'll be in love forever)

(Promise me, you'll leave me never)

(And that we'll be in love forever)We can work at our love

And make it all brand-new

If we stay together

There's nothing we can't do

Improve the lovin' is what I'm seeing

Let's do it baby

Don't fight the feeling

Won't you love me

Can we stay togetherRepeat Bridge and Chorus

Forever, ever, promise me you'll leave me never

Won't you promise me (That you'll leave me never)

Promise me, forever and ever, and everFade
