A Place In the Sun

Stevie Wonder

Like a long lonely stream I keep runnin' towards a dream Movin' on, movin' on Like a branch on a tree I keep reachin' to be free Movin' on, movin' on'Cause there's a place in the sun Where there's hope for ev'ryone Where my poor restless heart's gotta run There's a place in the sun And before my life is done Got to find me a place in the sun Like an old dusty road I get weary from the load Movin' on, movin' on Like this tired troubled earth I've been rollin' since my birth Movin' on, movin' onThere's a place in the sun Where there's hope for ev'ryone Where my poor restless heart's gotta run There's a place in the sun And before my life is done Got to find me a place in the sunYou know when times are bad And you're feeling sad I want you to always remember Yes, there's a place in the sun Where there's hope for ev'ryone Where my poor restless heart's gotta run There's a place in the sun Where there's hope for ev'ryone Where my poor restless heart's gotta run There's a place in the sun Where there's hope for ev'ryone...
