I've Got Dreams to Remember

Otis Redding

I've got dreams, dreams to remember
I've got dreams, dreams to rememberHoney, I saw you there last night
Another man's arms holding you tight
Nobody knows what I feel inside

All I know, I walked away and criedI've got dreams, dreams to remember
Listen to me (I've got dreams) rough dreams (dreams to remember)I know you said he was just
a friend

But I saw him kiss you, again and again These eyes of mine, they don't fool me Why did he hold you, so tenderly I've got dreams, dreams to remember

Listen honey (I've got dreams) rough dreams (dreams to remember)I still want you to stay
I still love you anyway

I don't want you to ever leave Girl, you just satisfy me, ooh-wee, ooh yeah I know you said he was just a friend But I saw you kiss him again and again These eyes of mine, they don't fool me

Why did he hold you so tenderly I've got dreams, dreams to remember Listen to me mama (I've got dreams)] bad dreams, rough dreams (dreams to remember) Don't make me suffer (I've got dreams) rough dreams, bad dreams (dreams to remember)
