

You Are the Best Thing

Ray Boudreaux

Baby
It's been along day, baby
Things ain't been going my way
And now i need you here
Here by my side
All the timeBaby
The way you move me, it's crazy
It's like you see right through me
And make it easier
Believe me, you don't even have to try
Oh, because
You are the best thing
(you are the best thing)
You are the best thing
(you are the best thing)
You are the best thing
(you are the best thing)
Ever happened to meBaby
We've come a long way
And baby
You know i hope and i pray
That you believe me
When i say this love will never fade away
Oh, because
You are the best thing
(you are the best thing)
You are the best thing
(you are the best thing)
You are the best thing
(you are the best thing)
Ever happened to meBoth of us had no love before
To come on promosing like a spring just walk on out door?
Our heart are strong and our hearts are so kind
Let me tell you just exactly what's on my mind
You are the best thing
(you are the best thing)
You are the best thing
(you are the best thing)
You are the best thing
(you are the best thing)
Ever happened to me
