

Be Wary of a Woman

Darius Rucker

If you're a man like me who is good at leaving
If you like your space and you love your freedom
Don't see yourself as ever settlin' down
Or your whole world being tossed around Be wary of a woman
A woman so fine
Don't want to change you
Loves you just right
Makes you feel like a man inside
Sometimes she'll make you cry
'Till you don't know what you're doing
You're out of control
Forget about leaving your heart won't go
If don't like that you better run and hide
And be wary of a woman like mine
She'll make you laugh when you feel like crying
Make you want to live when you feel like dying
So if you like living in the dark
Just walk away, you're going to lose your heart Be wary of a woman
A woman so fine
Don't want to change you
Loves you just right
Makes you feel like a man inside
Sometimes she'll make you cry
'Till you don't know what you're doing
You're out of control
Forget about leaving your heart won't go
If don't like that you better run and hide
And be wary of a woman like mine
Be wary of a woman like mine
Man, you don't stand a chance don't even try
Be wary of a woman like mine, oh
Be wary of a woman
A woman so fine
Don't want to change you
Loves you just right
Makes you feel like a man inside
Sometimes she'll make you cry
'Till you don't know what you're doing
You're out of control
Forget about leaving your heart won't go
If don't like that you better run and hide
And be wary of a woman like mine

A woman like mine
Be wary of a woman like mine, oh
A woman like mine
