Rage the Night Away (feat. Waka Flocka Flame)

Steve Aoki

We alive right nowLet's get high right now!We don't give a damn about money
We alive right now
All we do is party and get high right now
Shot, shot! Gonna get another shot
Get a check on the money, so the money never stop
If you on me, just watch, you don't love me, I'll tap
Tap tap! Man I do homie, pow!
I'mma need y'all to turn the fuck up, right now!
I'mma need y'all to turn the fun up, right now!
I'mma need y'all to fill yo cups out!
Now I'mma need y'all to while out
Ga ga, do it again
Lost my mind, gonna loose it again
You're so fine, you need a friend
I gotta carry that light until we begin, likeRage, rage the night awayForget about the money I'll spend today
Rage, rage the night away
Forget about the money I'll spend today
Rage, rage the night awayForget about the money I'll spend today
Rage, rage the night away
Forget about the money I'll spend today
Gonna sell everything I spent today
Let's start the party with the money out the way
Hangin' like Apostophes, you can quote me
Then throw the gate in yo face like Steve Yayo
Go hard in the pace cause she need to know me
Her body insane, man, she provoke me
Like pow!
I'mma need y'all to turn the fuck up, right now!
I'mma need y'all to turn the fun up, right now!
I'mma need y'all to fill yo cups out!
Now I'mma need y'all to while out
Get down, keep it on the low
You a jump down girl, no geronimoIn the condo you know I would go
On the bed, on the couch and on the floor
On the floor x3 get on the floor
Don't step, nigga, back, that's all I knowDon't step nigga back, that my dough
Squat!Rage, rage the night away
Forget about the money I'll spend today x4
Gonna sell everything I spent today

Let's start the party with the money out the wayRage, rage the night away
Forget about the money I'll spend today x4
Gonna sell everything I spent today
Let's start the party with the money out the way
