

# Crush

## Dave Matthews Band

Crazy how it feels tonight  
Crazy how you make it all alright, love  
Crush me with those things you do  
And I'd do for you anything too, oh  
Sitting, smoking, feeling high  
And in this moment, oh, it feels so right  
Lovely lady, I am at your feet  
Oh, God, I want you so badly  
And I wonder this could tomorrow be  
So wonderous as you there sleeping  
Let's go drive 'til morning comes  
Watch the sunrise and fill our souls up  
We'll drink some wine 'til we get drunk, yeah  
It's crazy I'm thinking  
Just knowing that the world is round  
I'm here, I'm dancing on the ground  
Am I right side up or upside down?  
And is this real, or am I dreaming?  
Lovely lady, let me drink you, please  
Won't spill a drop, no, I promise you  
Lying under this spell you cast on me  
Each moment the more I love you  
Crush me, come on, oh, yeah  
It's crazy I'm thinking  
Just knowing that the world is round  
I'm here, I'm dancing on the ground  
Am I right side up or upside down  
is this real, or am I dreaming?  
Lovely lady, I will treat you sweetly  
I adore you, I mean you crush me  
And it's times like these  
When my faith, I feeling  
I know how I love you  
Come on, come on, baby  
It's crazy I'm thinking  
Just as long as you're around  
I'm here, I'll be dancing on the ground  
Am I right side up or upside down?  
To each other we'll be facing my love, by love  
We'll beat back the pain we've found  
You know  
I mean to tell you all the things I've been thinking  
Deep inside, my friend  
Each moment the more I love you  
Crush me, come on, baby  
So much you have given love  
That I would give you back again and again

All, Good Lord, meaning I'll hold you  
But please, please just let me always
