

# Tony Montana

## Mr Eazi & Tyga

Yeah  
Zagadat  
T raw, Mr Eazi  
It's what they are waiting for I be the one wey them waiting for  
Tell me what these haters be hating for  
Pull up in a Ghost now we raising storm  
Gold chains feeling like am Ghostface Killah  
Don't act like you know me  
If you don't know my story  
Real niggas don't snitch, they wanna share in my glory (Ye) Mo gbono mo shana  
Feeling like Tony Montana  
Mo ti elevate mo ti bana  
And if you come try me na yawa  
Mo gbono mo shana  
Feeling like Tony Montana  
Mo ti elevate mo ti bana  
And if you come try me na yawa  
Running out marijuana  
Any nigga want smoke like a Sauna  
I let my dawgs out the leash no want it  
And how she want me but I don't want her  
I push a drop top gotta be foreign  
Find me in the air, I'm just soaring  
I done been in the dark where's lonely  
Now they tell me what is yours like Tony  
I like a thick ting, mad ting, nice ting, nasty (Nasty)  
And I make her running like an athlete  
That other nigga practice  
Lay your accent, talk sassy  
That was in the past, now I'm first they don't pass me On me you don really glowed up (Glowed  
up)  
And my niggas came and you showed up (Showed up)  
Imma pour a little mo in my cup (In my cup)  
Let's toast to us  
I be the one wey them waiting for  
Tell me what these haters be hating for  
Pull up in a Ghost now we raising storm  
Gold chains feeling like am Ghostface Killah  
Don't act like you know me  
If you don't know my story  
Real niggas don't snitch, they wanna share in my glory (Ye) Mo gbono mo shana  
Feeling like Tony Montana

Mo ti elevate mo ti bana  
And if you come try me na yawa  
Mo gbono mo shana  
Feeling like Tony Montana  
Mo ti elevate mo ti bana  
And if you come try me na yawa
