Ain't That Peculiar

Marvin Gaye

Honey, you do me wrong But still I'm crazy about you Stay away too long And I can't do without youEvery chance you get you seem to Hurt me more and more But each hurt makes my love Stronger than beforeI know flowers grow from rain But how can love grow from painAin't that peculiar A peculiarality Ain't that peculiar, baby Peculiar as can be Oh, you tell me lies That should be obvious to me I've been so much in love with you baby Til I don't wanna seeThat things you do and say Are designed to make me blue It's a doggone shame my love for you Makes all your lies seem trueIf the truth makes love last longer Why do lies make my love strongerAin't that peculiar, baby Peculiar as can be Ain't that peculiar A peculiarality Huh, huh, huh Hey, hey Huh, huh, huh Hey, hey Huh, huh, huh Huh, huh, huhI cried so much just like a child That's lost its toy Maybe baby you think these tears I cry Are tears of joyA child can cry so much Until you do everything they say But unlike a child my tears don't help me To get my way I know love can last through years But how can love last through tears Ain't that peculiar, baby A peculiarality Ain't it peculiar, honeyy Peculiar as can be Say I don't understand it, baby It's so strange something
