Drop 'Em Out

Wheeler Walker Jr.

Drop 'em out 1, 2, 3, 4Drop 'em out

Let me see them titties

Gonna take a long look at those tig 'ol bitties Areolas lookin' nice, nipples lookin' real pretty Come on let me gander at your boobs

Drop 'em out

Let me see them knockers

Gonna take a long look at those big ham hockers

Just squeeze 'em together while I play with my cocker

Come on let me gander at your boobs

Drop 'em out

Let me see them flabbies

Bounce 'em up

Make an old man happy

Smack 'em around

Just lay 'em on my lappie

Come on

Let me jism on your boobsDrop 'em out

Let me see them titties

Gonna take a long look at those tig 'ol bitties

Areolas lookin' nice, nipples lookin' real pretty Come on let me gander at your boobs

Drop 'em out

Let me see them knockers

Gonna take a long look at those big ham hockers

Just squeeze 'em together while I play with my cocker

Come on let me gander at your boobs

Drop 'em out

Bounce 'em up

Smack 'em around

BoobsDrop 'em out

Let me see them titties

Gonna take a long look at those tig 'ol bitties Areolas lookin' nice, nipples lookin' real pretty Come on let me gander at your boobs

Drop 'em out

Let me see them knockers

Gonna take a long look at those big ham hockers

Just squeeze 'em together while I play with my cocker

Come on let me gander at your boobs
