

Like I Love You

Nico Santos & Topic

Like I love you
Like I, like I love you
Na-na-na
Like I love you
No, he doesn't love you When the two of you walked in
The other n-n-n-night
Saw you smilin' with your arms
Around his s-s-s-side
How I hate the hand in your hand
Wasn't m-m-m-mine
How I hate myself
I didn't treat you r-r-r-right But I only want the best for you, trust me
Even if I know the best for you's not me
And the worst is I know I'm the reason why-why-why-why
You said goodbye-bye-bye-bye
He doesn't love you like I love you
He doesn't need you like I need you, no
He doesn't love you like I love you
Hope he won't hurt you like I hurt you
He doesn't know you like I know you
'Cause baby, I know every part of you
He doesn't love you like I love you
Hope he won't hurt you like I hurt you
Yes, I don't deserve you Like I love you
Like I, like I love you, na-na-na
Like I love you
No, he doesn't love you like I do
Like I love you
Like I, like I love you, na-na-na
Like I love you
No, he doesn't love you
If I'd had one more drink
I would've started a fight
So I walked out of the bar
Into the dark of the night
I can't move on with my life
Although a part of me tried
But the day you walked out
Of my life, a part of me died And the worst is I know I'm the reason why-why-why-why
You said goodbye-bye-bye-bye He doesn't love you like I love you
He doesn't need you like I need you, no
He doesn't love you like I love you

Hope he won't hurt you like I hurt you
He doesn't know you like I know you
'Cause baby, I know every part of you
He doesn't love you like I love you
Hope he won't hurt you like I hurt you
Yes, I don't deserve you Like I love you
Like I, like I love you, na-na-na
Like I love you
No, he doesn't love you like I do
Like I love you
Like I, like I love you, na-na-na
Like I love you
No, he doesn't love you I love seein' you smile
The way, the way that you do
But, I hate seein' you smile
With someone new He doesn't love you like I love you
He doesn't need you like I need you, no
He doesn't love you like I love you
Hope he won't hurt you like I hurt you
He doesn't know you like I know you
'Cause baby, I know every part of you
He doesn't love you like I love you
Hope he won't hurt you like I hurt you
Yes, I don't deserve you Like I love you
Like I, like I love you, na-na-na
Like I love you
No, he doesn't love you like I do
Like I love you
Like I, like I love you, na-na-na
Like I love you
No, he doesn't love you like I do
