

# Handcuffs

## Prince Royce

I know it all gets a little crazy  
But I got faith in you and me  
I know it's hard but'll never faze me  
Cause you let me let it be I gave it all up but it never was enough  
Went up a long road but it led me right to us  
Don't let me come down, let me come down  
You the one now, you the one now  
Got a bad girl back at home now I know it all gets a little crazy  
But I got faith in you and me  
I know it's hard but'll never faze me  
Cause you let me let it be  
You're the only one who doesn't try to change me  
Or strain me to take it all off  
And for the first time in my life  
Feels like my heart is out of these handcuffs  
Out of these handcuffs I've been running red lights with the sirens all turned off  
But we don't need no drama when you fill me up with love  
Don't let me come down, let me come down  
Baby, turn around and show a little more  
You the one now, only one now (oooooooo)  
I know it all gets a little crazy  
But I got faith in you and me  
I know it's hard but'll never faze me  
Cause you let me let it be  
You're the only one who doesn't try to change me  
Or strain me to take it all off  
And for the first time in my life  
Feels like my heart is out of these handcuffs Out of these handcuffs  
{ We're so close that it's like we are bodied now  
No So like the man were screaming high }  
I know it all gets a little crazy  
But I got faith in you and me  
I know it's hard but'll never faze me  
Cause you let me let it be  
You're the only one who doesn't try to change me  
Or strain me to take it all off  
And for the first time in my life  
Feels like my heart is out of these handcuffs
