Obsessed

Miley Cyrus

Why do I just lie awake and think of you
I need some sleep
Tomorrow I have things to do
Everytime I close my eyes I see your face
So I try to readBut all I do is lose my place
Am I obsessed with you?
I do my best not to want you
But I do all the time
I do all the time
I just had to call you up and say hello
I know its 3 a.m
And I saw you you a while ago
But I still have this aching need to hear your voice
To know your there
I don't seem to have any choiceAm I obsessed with you?
I do my best not to want you
But I do all the time
I do all the time
Oh, yeahI'm so sorry I just had to wake you up
I feel so lonely by myself
Is this the way you feel when you're in love
Or is this something else?
Yeah
Am I obsessed with you?
I do my best not to want youBut I do all the time
Want you all the time
Oh, yeah
But I do all the time
I want you all the time
Am I obsessed with you?
