

Feels Right

Alina Baraz

Don't know what I'm doing but it feels right
Feels right, feels right
Don't know what I'm doing but it feels right
Feels right, feels right
Tell 'em keep it going 'cause it feels nice
Feels nice, feels nice
If you're still into it and it feels right
Then it feels right, feels right, ooh I'm in my head, I'm a mess
I wanna let you know
I've got a lot on my plate
And I'm never home
But I can promise you this
You'll never wanna let me go
And if you wanna stay here
Maybe we'll call it paradise
Oh, I can see it so clearly
When I look into your eyes
You run your hands through my hair
I wanna run into the night
With you
Don't know what I'm doing but it feels right
Feels right, feels right
Don't know what I'm doing but it feels right
Feels right, feels right
Tell 'em keep it going 'cause it feels nice
Feels nice, feels nice
If you're still into it and it feels right
Then it feels right, feels right, ooh Maybe I'm stuck in a dream
And I don't ever wanna leave
I know that I'm outta reach
But you're where I wanna be
You feel like heaven to me
And everything in between Oh, I never wanna keep you waiting, waiting
I know that your patience's fading, fading
All the love you've got just save it, save it
For me
Don't know what I'm doing but it feels right
Feels right, feels right
Don't know what I'm doing but it feels right
Feels right, feels right
Tell 'em keep it going 'cause it feels nice
Feels nice, feels nice

If you're still into it and it feels right
Then it feels right, feels right, oohOoh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh (then it feels right)
Ooh ooh ooh
Ooh ooh ooh (then it feels right)
Ooh ooh ooh
