

ILYSM

Steve Aoki & Autoerotique

I would like to get to know if I could be
The kind of girl that you could be down for
Cause when I look at, I feel something tell me
That you're the kind of guy that I should make a move on
I know everybody's gotta be lonely
We got reason, we got someone to cheer for
Maybe all you need's a shoulder to cry on
If that [?] more than you ever could dream of I got you baby

I got you baby
I got you baby
I got you baby
I got you baby
I got you baby

Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you

Got you, got you, got you, got you I would like to get to know if I could be
The kind of girl that you could be down for
Cause when I look at, I feel something tell me
That you're the kind of guy that I should make a move on I know everybody's gotta be lonely
We got reason, we got someone to cheer for
Maybe all you need's a shoulder to cry on
If that [?] more than you ever could dream of

I got you baby
I got you baby
I got you baby
I got you baby
I got you baby
I got you baby

Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
Got you, got you, got you, got you
