

# I Run to You

## Lady Antebellum

I run from hate  
I run from prejudice  
I run from pessimists  
But I run too late  
I run my life  
Or is it running me  
Run from my past  
I run too fast  
Or too slow it seems  
When lies become the truth  
That's when I run to you  
This world keeps spinning faster  
Into a new disaster, so I run to you  
I run to you, baby  
And when it all starts coming undone  
Baby, you're the only one I run to  
I run to you We run on fumes  
Your life and mine  
Like the sands of time  
Slippin' right on through  
And our love's the only truth  
That's why I run to you This world keeps spinning faster  
Into a new disaster, so I run to you  
I run to you, baby  
And when it all starts coming undone  
Baby, you're the only one I run to  
I run to you  
Whoa-oh-whoa  
Oh, I run to you This world keeps spinning faster  
Into a new disaster, so I run to you  
I run to you, baby  
And when it all starts coming undone  
Baby, you're the only one I run to  
I run to you, I run to you, yeah  
Whoa-oh-whoa  
Oh, I run to you  
I run to you girl  
Whoa-oh-whoa
