

# Stereo

## John Legend

Yo yo  
Yo yo  
Yo yo She's a fast love professional  
Crafty, bold and beautiful  
Staged right, locked eyes  
I swear it's magical Her name is Melanie  
Says she digs my melodies  
Likes how I move  
Thinks I'm cool  
That's what she says to me  
Big stage, bright lights, short love long nights  
Frequent flights through the skies to see stars I come back to town  
She's hangin' around  
It still feels so real but it can't go too far Her favorite colours be platinum and gold  
She only loves in stereo, she only loves in stereo  
I should know 'cause I've seen it before  
I think I gotta let her go  
She only loves her stereo Oh, oh  
Oh, oh  
Oh, oh Turned on the video  
Oh my goodness there she goes  
Now I'm hot, seems I'm not the only one she knows  
Name droppin' everyday  
But I still want her anyway  
I like how she moves  
Think she's cool  
My favorite getaway Big stage, bright lights, short love long night  
Deja vu, yeah, we do it again Off to the next town  
She's on to the next round  
Let it go  
We both know that it's all gonna end, oh Her favorite colours be platinum and gold  
She only loves in stereo, she only loves in stereo  
I should know cuz I've seen it before  
I think I gotta let her go  
She only loves her stereo Oh, oh  
Oh, oh  
Oh, oh Oh, oh  
Oh, oh  
Oh, oh She fell in love with the radio  
It wasn't really me  
So I had to let her go  
Just ask any DJ back in her hometown

She likes to get around  
Just watch as she gets down  
Her favorite colours be platinum and gold  
She only loves in stereo, she in loves her stereo  
I should know cuz I've seen it before  
I think I gotta let her go  
She only loves in stereo Oh, oh  
Oh, oh  
She loves her stereo  
(I think I gotta let her go) Oh, oh  
Oh, oh (ohh)  
She loves in stereo  
(I think I gotta let her go) Oh, oh  
Oh, oh  
She loves in stereo Oh, oh  
Oh, oh  
She loves in stereo
