

Nothing I've Ever Known

Bryan Adams

Right now I feel
Just like a leaf on a breeze
Who knows where it's blowin'?
Who knows where it's goin'?
I find myself somewhere
I never thought I'd be.
I'm going round in circles, yeah
Thinkin' bout you and me...And how do I explain it when
I don't know what to say?
What do I do now?
So much has changed.
Nothing I've ever known
Has made me feel this way.
Nothing I've ever seen
Has made me want to stay.
Here I am, ready for you.
I'm torn and
I'm fallin'
I hear my home callin', hey!
I've never felt something so strong.
Oh no.
It's like nothing I've ever known...You're the one I'm lookin' for
You're the one I need.
You're the one that gives me
A reason to believe.
Followin' our star
Has lead to where you are.
I feel so strong now
This can't be wrong now...
Nothing I've ever known
Has made me feel this way.
Nothing I've ever seen
Has made me want to stay.
Here I am, ready for you.
I'm torn and
I'm fallin'
I hear my home callin', hey!
I've never felt something so strong.
Oh no.
It's like nothing I've ever known
Nothing I've ever known...Right now I feel
Just like a leaf on a breeze.

Who knows where it's blowin'?

And who knows

Where I'm goin'...
