[Ghf] Show those crabs how to rhyme  
[Rae] RZA Chef Ghost and Nas niggaz is the prophet  
[Ghf] It's only like five percent out of a hundred  
[Rae] RZA Chef Ghost and Nas niggaz is the prophet  
[Ghf] Do it to em baby  
[Verse One: Nas]  
Thru tha lights, cam'ras, n action, glama glittas in gold.  
I unfold, tha scroll. Plant seeds ta stampede tha globe.  
When I'm deceased, by then tha beasta rise like yeast  
ta conquer peace, leavin savages ta roam in tha streets.  
Live on tha run; police payin me ta give in my gun.  
Trick my wisdom, wit tha system that imprisoned my son.  
Smoke a gold leaf. I hold heat, nonchalantly.  
I'm raunchy, but things I do is real. It never haunts me,  
while, funny style niggaz roll in tha pile.  
Roosta heads profile on a bus ta Riker's Isle,  
holdin weed inside they pussy wit they minds  
on tha pretty things in life. Props is a true thugs wife.  
It's like a cycle; niggaz come home, some'll go in,  
do a bullet, come back, do tha same shit again.  
From tha womb to tha tomb, presume tha unpredictable.  
Guns salute life, rapidly, that's tha ritual.  
[Verse Two: Raekwon the Chef]  
Perhaps bullets bust niggaz discuss mad money

True lies and white guys, we can see it through the eyes  
Catch the most on tape, kilos disintegrate  
Pyrex pots, we break, fiends lickin plates  
In the building niggaz building, like little children starin  
Them older niggaz aint carin  
Sirens circlin fiends are lurkin in your baggage  
oh, one's gone now, what, smack him in his cabbage  
In the woodwork, crack cells bubble like Woolworth's  
in the projects, richest niggaz rockin all the real worth  
Police questioning, rooftop cats invested in  
Tradin in they Lexus' GS's sendin messages  
Two and two makes four, Cristal's crazily pour  
Gun wars my crew phantom like swords[Verse Three: Ghostface Killer]  
With the green leathers, hunded pound snakes and cakes  
Fiends found in lakes, jealously Jakes we shake  
What I strive for is what I live for  
Infatuated by material things, and it's wild like for war  
like somewhere over the rainbow, I see a big pot of gold  
Future stacks yo I hold  
Thousands of cracks bagged up inside the shoebox  
Don't keep jack in my lap, don't wanna see Tupac  
Got two spots, a new lot, flooded with rocks  
Shoot-outs making me hot, crooked cops Bad Tony and the ball drop  
In the Now, I'm bangin niggaz for slide time  
Hurry up Duke I'm next, show em mine  
And what the fuck is you looking at?  
By the way young blood, hit me off with that Green Bay hat  
Watch your back inside the hall, new niggaz slide through  
like doors yo, you're starin in the mess hall  
Your adrenaline runs, cigarette niggas be swindlin  
New jacks surrenderin, come home not rememberin  
Made bail with different size kicks on, a white dress shirt  
Lookin gay in the yard, and you got hurt  
Flashbacks, of the day room, mop ringer style  
Your faggot ass got bashed tryin to turn the dial  
You told your boo you was whylin  
Once you heard Wu, out of the blue, your family's from Shaolin  
High class cooks, throw on vestes out of phone books  
Infirmary niggas are screaming, "I got drugs!"  
Sharpen toothbrushes 190 mixed with baby oil and shit  
Your man's in the kitchen stashing ice picks  
Well I'ma end this with a big red cherry on top  
Me, Nas and Rae got the best product on the block[Rae] Strength my whole team is eatin off  
this type of shit  
[Ghf] Word up, throw your hands up  
[Rae] Good shit, nigga next time, no more whatever shit  
[Ghf] Cock back the Mac an say whatever  
[Rae] Keep your eyes open and your wallet in your front pocket  
[Ghf] Your Hawaiian's stale, exoticness, fly shit

[Rae] RZA Chef Ghost and Nas niggaz is the prophet  
[Ghf] Floatin on in nine-five in the basement
