

# What's He Doin' In My World

**Eddy Arnold**

What's he doin' in my world?  
What's he doin' holdin' my world?  
If he's not more than just a friend  
Why were you kissin' him?  
And what's he doin' in my world? What's he doin' in my world?  
Did you tell him that you're my girl?  
If your love is really true  
Tell him my world's made for two  
What's he doin' in my world?  
Oh, don't let me keep on wonderin'  
Just what you're gonna do  
Wondering if the one I love  
Loves somebody new  
What's he doin' in my world?  
We don't need him here in our world  
So if it's true he's just a friend  
Explain those kisses you gave him  
And what's he doin' in my world? What's he doin' in my world?
