

**Cold**

## Crossfade

Looking back at me I see  
That I never really got it right  
I never stopped to think of you  
I'm always wrapped up in  
Things I cannot win  
You are the antidote that gets me by  
Something strong  
Like a drug that gets me high  
What I really meant to say  
Is I'm sorry for the way I am  
I never meant to be so cold,  
Never meant to be so cold  
What I really meant to say  
Is I'm sorry for the way I am  
I never meant to be so cold,  
Never meant to be so cold  
To you, I'm sorry about all the lies  
Maybe in a different light  
You could see me stand on my own again  
Cause now i can see  
You were the antidote that got me by  
Something strong like a drug that got me high  
What I really meant to say  
Is I'm sorry for the way I am  
I never meant to be so cold,  
Never meant to be so cold  
What I really meant to say  
Is I'm sorry for the way I am  
I never meant to be so cold,  
Never meant to be so cold  
I never meant to be so cold.  
I never really wanted you to see  
The screwed up side of me that I keep  
Locked inside of me so deep  
It always seems to get to me  
I never really wanted you to go  
So many things you should have known  
I guess for me there's just no hope  
I never meant to be so cold  
What I really meant to say  
Is I'm sorry for the way I am  
I never meant to be so cold,  
Never meant to be so cold  
What I really meant to say  
Is I'm sorry for the way I am  
I never meant to be so cold,

Never meant to be so cold
