

# Sick of It

## Skillet

If you're sick, if you're sick  
If you're sick, if you're sick of it  
If you're sick, if you're sick  
If you're sick of it When everything you do  
Don't seem to matter  
You try but it's not use  
Your world is getting blacker When every time you fail  
Has no answer  
Every empty promise made  
Is a reminder No one can make this better  
Take control, it's now or never  
Are you sick of it?  
Raise your hands  
Get rid of it  
While there's a fighting chance  
Are you over it?  
Bored to death?  
Have you had enough regret?  
Take a stand, raise your hands If you're sick of it  
If you're sick, if you're sick  
If you're sick of it  
If you're sick of it  
If you're sick, if you're sick  
If you're sick of it Every single day  
I chase my own tail  
Like the bad inside of me  
Has gotta get, gotta get, get away  
I'm running out of time  
For me to break this  
I'm tired of feeling like  
I'm never gonna make it No one can make this better  
Take control, it's now or never Are you sick of it?  
Raise your hands  
Get rid of it  
While there's a fighting chance  
Are you over it?  
Bored to death?  
Have you had enough regret?  
Take a stand, raise your hands If you're sick of it  
If you're sick, if you're sick  
If you're sick of it  
If you're sick of it

If you're sick, if you're sick  
If you're sick of it I'm tired of it  
I'm over it  
I'm bored to death Gotta face this  
I'm sick of it Raise your hands  
If you're sick  
If you're sick of it  
Raise your hands  
If you're sick  
If you're sick of it Sick of it  
Raise your hands  
Get rid of it  
While there's a fighting chance  
Are you over it?  
Bored to death?  
Have you had enough regret?  
Take a stand, raise your hands Are you sick of it?  
If you're sick, if you're sick  
If you're sick of it Get rid of it  
If you're sick, if you're sick  
If you're sick of it  
Are you over it?  
Bored to death?  
Have you had enough regret?  
Take a stand, raise your hands  
Are you sick of it?  
If you're sick, if you're sick  
If you're sick of it  
Are you sick of it?  
If you're sick, if you're sick  
If you're sick of it  
Are you sick of it?  
If you're sick, if you're sick  
If you're sick of it  
If you're sick of it  
If you're sick, if you're sick  
If you're sick of it
