

Centre of Eternity

Ozzy Osbourne

There's no present
There's no future
I don't even know about the past
It's all timeless and never ending
To take it in
It's all too vast
It goes
Forever and ever
You thought you knew
But you never
There goes
Tomorrow
Journey to the centre of eternity
Journey to the centre of eternity
The time is coming but also going
And it's leaving never to return
Maybe heaven could be forever
But if it's hell then you can watch me burn
It goes
Forever and ever
You thought you knew
But you never
There goes
Tomorrow
Journey to the centre of eternity
Journey to the centre of eternity
I got to travel forever
It's all within my mind
An endless path to endeavor
But forever is a long long time
There's no secrets and no corruption
In the centre of infinity
There's no limits in nonexistence
And no beginning to my destiny
It goes
Forever and ever
You thought you knew
But you never
There goes
Tomorrow
Journey to the centre of eternity
Journey to the centre of eternity
