

# How Still My Love (Live from Soundstage)

Stevie Nicks

Still the same old story  
What price glory  
You make it easy  
In the still of the night  
In the still of the night...  
How still my love  
In the still of the night...  
How still my...Doing all you can for me  
They say you're not the man for me  
Don't make it easy  
In the still of the night  
In the still of the night...  
How still my love  
In the still of the night...  
How still my love  
Standing... in the doorway  
Watching out to sea  
Calling out to me  
Yo go... your way  
Go on... go on  
But you don't forget me  
Ooo no... you don't forget me  
Oooo no... my lonely one  
You're doing all you can for me  
They say you're not the man for me  
Don't I make it easy  
In the still of the night  
It's... me... talking to you  
How still my love...  
In the still of the night...  
How still my love...  
In the still of the night...  
It's me that's talkin' to you  
In the still of the night
