How Still My Love (Live from Soundstage)

Stevie Nicks

Still the same old story What price glory You make it easy In the still of the night In the still of the night... How still my love In the still of the night... How still my...Doing all you can for me They say you're not the man for me Don't make it easy In the still of the night In the still of the night... How still my love In the still of the night... How still my love Standing... in the doorway Watching out to sea Calling out to me Yo go... your way Go on... go on But you don't forget me Ooo no... you don't forget me Oooo no... my lonely one You're doing all you can for me They say you're not the man for me Don't I make it easy In the still of the night It's... me... talking to you How still my love... In the still of the night... How still my love... In the still of the night... It's me that's talkin' to you In the still of the night
