

Anyone Who Had a Heart

Luther Vandross

Anyone who ever loved could look at me
And know that I love you
Anyone who ever dreamed could look at me
And know I dream of you Knowing I love you so
Anyone who had a heart
Would take me in her arms and love me too
You couldn't really have a heart and hurt me
Like you hurt me and be so untrue
What am I to do Every time you go away I always say
This time it's goodbye dear
Loving you the way I do I'd take you back
Without you I'd die dear
Knowing I love you so
Anyone who had a heart
Would take me in her arms and love me too
You couldn't really have a heart and hurt me
Like you hurt me and be so untrue
So what can I to do Knowing I love you so
Anyone who had a heart
Would take me in her arms and love me too
You couldn't really have a heart and hurt me
Like you hurt me and be so untrue Anyone who had a heart would love me too
Anyone who had a heart would surely take me
In her arms and always love me, and love me, love me
Why won't you
Anyone who had a heart would love me too
Anyone who had a heart would surely take me
In her arms and always love me, love me
And why won't you Anyone who had a heart would love me too
Anyone who had a heart would surely take me
Anyone would take me
Why why won't No one is gonna love you like I did
No one is gonna make you feel the way I did
No one No no no no one
No no no
