

Silver Lining (crazy 'bout you)

Jessie J

In a world where no one, no one understands
It's good to finally find someone, someone who can
You know me
Better than I know myself
Don't care what they say
Don't care what this world thinks
We got each other
That's all we need
And you show me
I don't need nothing else Call me crazy, Call me a fool
Call me crazy, baby it's you
But I'm crazy bout you, baby
I'm crazy bout you, baby
I can't help it (help it)
Nothing I can do, baby
I'm crazy bout you (crazy crazy crazy crazy)
And I love it cause I know you're crazy bout me too
When I lose my mind, when I'm a total mess
I stop as you still think I'm the best
And I love you even when you're a wreck Call me crazy, Call me a fool
Call me crazy, baby it's you
But I'm crazy bout you, baby
I'm crazy bout you, baby
You're my silver lining (you make the light)
You make the light come through, baby
I'm crazy bout you (crazy crazy crazy crazy)
And I love it cause I know you're crazy bout me too And when this world tries to tear us down
They never will
They'll never break us apart
They're saying crazy and hard
Call me crazy
Crazy bout you
I'm crazy, I'm crazy bout you
I'm crazy
I can't help it, help it
Nothing I can do (nothing I can do)
I'm crazy, crazy bout you
And I love it cause I know But I'm crazy bout you
I'm crazy bout you
(I'm crazy crazy crazy crazy about you, baby
crazy crazy crazy crazy about you, baby)
You're my silver lining

You make the light come through, baby
Crazy bout you
And I love it cause I know you're crazy bout me too
