

Atlas

Covenant

I'm a thousand people
From day to day
We are all air born
Without ground control
I call my name in the maelstrom I'm not giving in
So don't you give in
I'll be your Atlas
And carry our world
But I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us home
But I guess
I won't save the world today I'm a thousand people
From day to day
Blues and so untitled
On the road to where
I'm losing my name in the maelstrom But I'm not giving in
So don't you give in
I'll be your Atlas
And carry us home
But I guess
I won't save your world today
2x
But I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us home But I guess
I won't save the world today
