

If You Come To Me

Atomic Kitten

~*Verse One*~So long ago
I didn't have a care about me
I didn't know my right from wrong
But now i know
That you got your love around me
You no it makes me feel so strongBaby if you turn around
And prove to me its real
Maybe we can work ot out
Cos this is how i feel
~*Chorus*~Do you know when you go when you give it all away
I'll be there for you, Care for you
Love you everday oh baby
And do you feel the same for me?
Anyday your away
And i feel a little low
I would cry for you, Die for you
Just to let you know oh baby
And if you come to me you know i'll make it right~*Verse Two*~Through out my life
I'd never thought i'd have somebody
Someone to call my own
And now i've found
A little bit of heaven baby
A place to call my home
Baby if you turn around
And prove to me its real
Maybe we can work it out
Cos this is how i feel~*Chorus*~Do you know when you go when you give it all away
I'll be there for you, Care for you
Love you everday oh baby
And do you feel the same for me?
Anyday your away
And i feel a little low
I would cry for you, Die for you
Just to let you know oh baby
And if you come to me you know i'll make it rightBaby, dont you know you gotta
Slow down
Before you no you gonna
Break down and turn around
Before you know,
You go and break my heart
When will you learn to be
a little

Helpful when you think of me
A little
Careful when you close to me
Coz baby (baby)
I loved you from the start Baby if you turn around
And prove to me its real
Maybe we can work it out
Cos this is how i feel (This is how i feel... This is how i feel) I love you baby~*Chorus*~Do you
know when you go when you give it all away
I'll be there for you, Care for you
Love you everyday oh baby
Do you feel the same for me?
Anyday your away
and i feel a little low
I would cry for you, Die for you
Just to let you know oh baby
i would die...~*Chorus*~Do you know when you go when you give it all away
I'll be there for you, Care for you
Love you everyday oh baby
Do you feel the same for me?
Anyday your away
and i feel a little low
i would cry for you, Die for you
Just to let you know oh baby When you come to me, You know i'll make it right...
