

# Candy On the Dancefloor

## Tujamo

Ooh  
Don't you know you give that  
Good feeling, yeah, yeahOohDon't you know you give that  
Good feeling, yeah, yeah  
Ooh  
Don't you know you give thatGood feeling, yeah, yeah  
Ooh  
Don't you know you give that  
Good feeling, yeah, yeah  
You've got to give it up  
'Till you can't get enough  
Wanna see your candy on  
The dance floor, yeahCome on now push it up  
Girl you've got what I want  
Gimme something good  
So I can feel more, yeahYou've got to give it up  
'Till you can't get enough  
Wanna see your candy  
On the dance floor, yeahCome on now push it up  
Girl you've got what I want  
Gimme something good  
So I can (oh)Oh  
Oh  
Got to give a little love  
Got to give a little more  
Got to give it all you got  
Get your feet out on the floorGot to give a little love  
Got to give a little more  
Got to give it all you got  
Get your feet out on the floorOoh  
Don't you know you give that  
Good feeling, yeah, yeah  
OohDon't you know you give that  
Good feeling, yeah, yeah  
You've got to give it up  
'Till you can't get enoughWanna see your candy  
On the dance floor, yeah  
Come on now push it up  
Girl you've got what I wantGimme something good  
So I can feel more, yeah  
You've got to give it up  
'Till you can't get enoughWanna see your candy

On the dance floor, yeah  
Come on now push it up  
Girl you've got what I want Gimme something good  
So I can (oh)
