

February Stars

Foo Fighters

I'm hanging on
Here until I'm gone
I'm right where I belong
Just hanging onEven though
I watched you come and go
How was I to know
You'd steal the show?One day I'll have enough to gamble
I'll wait to hear your final call
And bet it allI'm hanging on
Here until I'm gone
I'm right where I belong
Just hanging on
Even though
I pass this time alone
Somewhere so unknown
It heals the soulYou ask for walls
I'll build them higher
We'll lie in shadows of them all
I'd stand but they're much too tall
And I fallFebruary Stars
Floating in the dark
Temporary scars
February StarsFebruary Stars
Floating in the dark
Temporary scars
February Stars
February Stars
Floating in the dark
Temporary scars
February Stars
