

Closer Than We've Ever Been

Brantley Gilbert

You don't bite your lip before we kiss anymore
And I love you and miss you's fall silent as we walk out the door
You don't light up the room the way you used to anymore
And I don't get butterflies, what are we fighting for? Yeah, and I'm fighting temptation to fall
out of love
And you know, girl you know
You're all out of patience, and I'm already gone
Girl you know, you know
That if our love ain't far from the end
It's closer than we've ever been
I found a picture of us I don't even recognize
And I've lost that old smile
You've lost that fire in your eyes
Yeah, when was the last time you wanted my touch on your skin?
Well I don't remember, I guess that's just how long it's been And I'm fighting temptation to fall
out of love
And you know, you know
Cause you're all out of patience and I'm already gone
Girl you know, girl you know
That if our love ain't close to the end
We're closer than we've ever been
Yeah I'm fighting temptation to fall out of love
And you know, girl you know
Cause you're all out of patience and I'm already gone
Girl you know, girl you know
That if our love ain't close to the end
Yeah if our love ain't close to the end
We're closer than we've ever been Girl you know
