

Wholy Holy

Aretha Franklin

Sing it, sing it
(Audience)
Woo, woo, woo, woo Whoa, ho, ho, ho, Holy Holy
Come together Holy
People, we have got to come together
With all of the strength Have all of the feeling ooh, yeah
Why Holy Holy?
Come on check out the water now, now
Water, Holy Holy We should believe
Believe in each other's dreams
Jesus left along time ago
And said he would return
But he left us a book to believe in
And in it we've got a whole lot to learn
Yeah, yeah, whoa, Holy Holy
He can't talk out, can't walk out now, Holy, Holy, Holy We can rock this earth's foundation
Yes, we can
(Glory)
Can't you see us
(Glory)
Brothers and sisters talkin' about love Love, love, love, love, love, love, love
Love, love, love, love, love, love, love Ooh, oho, Holy Holy, we can rock
We can rock this earth's foundation
Umm, hum
(Holy Holy)
Holy, Holy
(Holy, Holy)
Can't you see us
(Holy)
Comin' together?
Talking 'bout love?
(Holy)
Movin' and groovin' with a-love Let it get men with a-love
(Holy, Holy)
Doin' and movin' it with love
Love, love, love, love, love
Whoa, Holy Holy He proclaimed love, he proclaimed love
About his salvation, oh, yeah, yeah
Yeah, yeah, yeah, yeah
(Holy) Whoa
(Holy)
Holy, Holy, Holy

Wholy, Wholy, Wholy
Wholy, Wholy, WholyWholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, WholyWholy, Wholy, Wholy
