

Tame One

Your Friend

Sister hasnt formed yet
Are you bothered, bothered, bothered, bothered
So full, like a full plate
Are you sorry, sorry, sorry yet?
Oh, tame one, who are you holding words for?
Oh, maimed one, who are you holding out for?
Sittin' on your front step
Are you worried,, seefull, love your friends?
Sleeping in you parents bed
Are you anxious? ...
Oh, tame one, who are you holding words for?
Oh, maimed one, who are you?
Oh, seas, oh, season, oh seas
Where are your siblings?
Where are you found?
Cause I
Oh, tame one, oh tame one
Oh tame one, oh tame one,
