

# Alive

## Empire of the Sun

Days slow by my window  
World slows down as it goes  
Goodbye to last night  
Lost my eyesight Can't you help me see?  
They won't get right Loving every minute 'cause you make me feel so alive, alive  
Loving every minute 'cause you make me feel so alive, alive  
Alive, alive Waking in the snow  
Tracing steps with you  
Swimming through the snow  
Wrapped in blow we go  
Can't you help me see?  
They won't get right Loving every minute 'cause you make me feel so alive, alive  
Loving every minute 'cause you make me feel so alive, alive  
Alive, alive Can you describe to me  
All the world that you see?  
Oh, I need it so much  
I'm just waiting Freedom is within you  
Giving makes us feel good  
Hello to more people  
Say hello to the future Freedom is within you  
Giving makes us feel good  
Hello to more people  
Say hello to the future  
Loving every minute 'cause you make me feel so alive, alive  
Loving every minute 'cause you make me feel so alive, alive  
Alive, alive Loving every minute 'cause you make me feel so alive, alive  
Loving every minute 'cause you make me feel so alive, alive  
Alive, alive
